Ans:

```
var hello = 'Hello World';  
console.log(hello);
```

Hello World

The screenshot shows a code editor with a dark theme. The top part displays a JavaScript file named 'helloworld.js' with two lines of code: `var hello = "Hello, World!";` and `console.log(hello);`. Below the code editor is a terminal window. The terminal shows the command `node helloworld.js` being executed, which results in the output `Hello, World!`. The terminal prompt is `hanka@DESKTOP-AQJ7BPC MINGW64 /d/code_ALL/node_learning/0908/123 (main)`.
